A fabulous entertainer in need of some sturdy stilettos, Lola turns out to be the one person who can help Charlie become the man he's meant to be. As they work to turn the factory around, this unlikely pair finds that they have more in common than they ever dreamed possible... and discovers that when you change your mind about someone, you can change your whole world.

### STORY

Based on a true story and the indie film of the same name, **KINKY BOOTS** follows young Brit Charlie Price, who abandons his family's shoe factory to live with his demanding girlfriend in London. After the unexpected death of his father, Charlie returns to the struggling factory and finds it's up to him to figure out a way to keep the business alive. Enter Lola, a fabulous drag queen, who gives Charlie the idea to create ladies' shoes for men. Soon, the factory is turning out "kinky boots" under the supervision of Charlie and Lola, but can this harebrained scheme actually work? And can these two extremely different men find a common ground and become real friends?

Chicago, which opened to rave reviews on November 14, 1996 and now in its 20th year on Broadway is the longest running AMERICAN musical shows no sign of ever slowing down

**Child recommendation:** Recommended age of 10+. At the end of the day, Kinky Boots is about acceptance – accepting yourself and accepting other people for who they are: the importance of kindness, understanding, and friendship. There is some talk about sex ("Sex Is in the Heel"), death, cross-dressing and other adult themes.
